Don't believe in the leftist and libs differentiation argument. There is no good libs, period. Not all libs are democrats, but all democrats are libs. As long as they don't believe in individual liberty and freedom, they are all the same. Libs are believers in collectivism, an opposite view of how we view ourselves.

Which goes hand in hand with trump winning, doesn't it? I mean, they were talking day and night about how Trump couldn't possibly lose, how he was so far behind... now it's 'neck and neck'.

Their credibility has been damaged from 4 years of Trump, then you have that, and then, once the fraud is revealed in earnest, it'll be gone completely.

And you have growing sites like .win. We'll supplant them soon enough my friend! People will come HERE for news!

Yup. Until that happens, those who seek the truth can find it. The masses aren't so inquisitive, though. Our tech grew faster than our legal framework could keep up. We built the greatest tool for information distribution in history, and let it be dominated and weaponized by tyrants who have now given up any illusion of free speech. When it's all blown apart, then the masses will see. Sic semper tyrannis.

And this is for the guy who was soooooooo unpopular that no one voted for him and he lost the totally fair election that had no widespread voter fraud to a geriatric piece of shit who couldn't pull this number of people with all his rallies *COMBINED* 😞[permalink](#) [save](#) [report](#) [block](#) [reply](#)

And the jeeps! You don't get jeep counts like that from merely being sponsored by jeep who is moving all their manufacturing to uh.... "

Man, fuck uHaul. I rented a 15' box truck, and they gave me a 17' while trying to charge me for a 17'. I'm trying to move out of my apartments, and I couldn't find any help so I rented a truck. Or tried to. My apartments are dangerous as shit. We literally had a shootout like 400 feet outside my door. The incompetent FBI/ATF showed up outside my complex for a couple days launching drones and collecting guns. It was wild.
